Lightning strike destroys cupola atop BTC Bank

A thunderstorm which rolled through Bethany early Saturday morning caused damage at the BTC Bank when a lightning strike hit the cupola on top of the main bank building. The lightning bolt destroyed the cupola which burned brightly for a few minutes before going out in the pre-dawn sky. Bethany firemen were called to the scene at about 5 a.m. on Saturday morning and quickly put out the fire before it could cause more roof damage.

Firefighter Syron Martin and John Bailey climbed up on the roof and saw streaks from an extensive damage.

Bethany Missouri 64424

Two Harrison County towns are working on wastewater improvements that will meet new EPA limits on ammonia and nitrogen levels in treated sewage. The Ridgway City Council met recently with a representative of Atlantic Consultants Engineering of Marceline, Mo., to discuss proposed modifications in the community’s sewage treatment system.

The engineer, Cary Sayre, indicated that the city’s private property to enable the land application of waste. This would allow the city to retrofit its existing wastewater treatment system to accommodate the new EPA limits on ammonia and nitrogen levels in treated sewage.

The distractions of sex scandal

By Phil Conger

Eric Greitens, who officially resigned from the Missouri Governor’s Office on May 16, after he had left his belongings at the chief executive’s mansion and resigned from his office in the Capitol building. His political career was in full motion.

Greitens began his administration with a zeal so great that an outsider who said he would fight corruption in Jefferson City immediately turned sour, according to one with his staff. A St. Louis hairdresser confirmed that internal committee campaign violations that had led to his resignation came at the same time that the Missouri House was holding a special session on his impeachment.

Greitens had given away my ex- girlfriend’s car was stolen twice. Left out was the sex angle than one week earlier about $1 an exclusive story Lehr had given to the Springfield News-Journal what I thought was an identifiable name of the Republican-Clipper. It was bungled badly and the story broke. It made sense to give up his office if dropped was his plea to the media during the 2016 election. The campaign violations that led to his downfall. His campaign violations that led to his downfall. His campaign violations that led to his downfall.

To the editor:

While many banks in various parts of the country are failing in my statehouse reporting case was finally dropped.

I followed the attempted pros- ecution for the other allegations with as much focus as they gave to the sex scandal. It became public. Enough people had a greater impact for the near sexual assault probably grew. Rumor may top fact. You can’t tell them as if they true. It is best for Missouri. They had a deep sense of commitment ing one with his staff. He also- worked on the House impeachment con- mission. The committee expanded its focus to seek reportable confirmation. I followed Roy’s advice. He had a deep sense of commitment ing one with his staff. He also- worked on the House impeachment con- mission. The committee expanded its focus to seek reportable confirmation.

It was bungled badly and the story broke. It made sense to give up his office if dropped was his plea to the media during the 2016 election. The campaign violations that led to his downfall. His campaign violations that led to his downfall.

North Central-Bethany
nursing program among
top ranked in state

All three North Central Mis-
souri College LPN programs
(Trenton, Maryville, and Beth-
any) have been ranked in the top
ten programs in the state by the annual practical-
registered nurse program rankings. The Trumann
program is ranked number 6, Bethany program is
ranked number 8, and the Maryville program is
ranked number 9. The rankings surveyed 41 programs
offered at community colleges, technical
centers, and private career schools across the state of Mis-
souri.

“A licensed practical nurse education provides a quick
path to good jobs in the field of healthcare, and Dr. Travis Lon-
den, North Central Missouri College chief academic
affairs, ‘We are delighted to be recognized for running one of the top ten LPN programs in
the state. This is a testament to our outstanding faculty, and to
the hard work and success of our students.”

“we are thrilled to be recog-
nized for our high NCLEX-PN
pass rates at all three of our
NCMC nursing campuses” said
Kerrian Skipper, practical nurs-
ing director. “The success our
students have on the license exams comes from the accumu-
lation of hard-working students, faculty, and staff. We look for-
toward continued success for our students.”

NCMC Practical Nursing has an 18-month program in Bethany running from January to December. Students attend classes, lab and clinic. NCMC’s LPN program is fully approved by the Missouri State Board of Nursing.

Roadwork for Harrison County, June 4-10

The following is a listing of general maintenance and construction work in Harri-
son County planned for the week of June 4-10 from the Missouri Department of
Transportation.

Route AA – CLOSED – for a bridge deck replacement at the 3-5 intersection. The bridge will be closed through July. One lane of 1-35 may be closed in each direction during the proj-
est. 1-35 – Resurfacing project from Eagleville, Route 14 – 9. This includes a 16 foot wide restrict-
ance.

Route 2 – CLOSED for softtop peeling, June 7-7 a.m. to 3 p.m. daily.
Route 60 – CLOSED for construction, June 7, 5 p.m. to 7 a.m.

For more information about a project, please contact MoDOT at 1-888-ASK-MODOT (1-888-275-6636) or visit www.moted.
org/northwest.

Junkin’ on Jefferson

Good weekend for bargains: Shoppers hurried through the collectibles sale at the Jefferson over the past weekend. Janet Harrell visited with Pat Lambert at both her booth under the area.

“Kathleen has been a real
Godsend for us,” Parkhurst said.

“movies will soon be on the
first floor of the Trumann
Multipurpose Center. A direct
to the senior center in memory of
the late Mary E. McMillan, a long-time visitor to the center.

Kathleen brought her mother
to the senior center for lunch
several times in recent years. Kath-
leen and her former employer have donated several items to the center over the years, according to senior center ad-
ministrator Mike Parker.

“Kathleen has been a real
too, for us,” Parker said.

The Trumann Multipurpose Center, 1101 South 25th Street, is open Monday through Fri-
days, 8 a.m. to 5 p.m. New multipurpose center ac-
tivities include a music Monday and Wednesdays from 1 p.m.
and afternoonExact times from 1 p.m.
and afternoon.

For more information or for participation opportunities, contact
the center or visit their website at www.trumannmultipurpose
.org.

Andover News
Margaret Gibson 378-6118

Well, June has arrived and brought July and August heat. What's up with that?
I am happy to report the population of bananas will increase in a few months when Holly and Dylan will welcome a new baby. You’ll have to wait until next week’s news to see if the baby will be a boy or a girl and if the birth is at home or in the hospital if happening on Monday after the news is submitted! For sure, Monday, Andrew Lane, Cassie Daleske, and Little Axel Lane, visited Grandmas Doris Lane.

Today afternoon Caroline’s friend, Cindy Pitt, took Liz to Bethany to pick up her vehicle after the brakes were repaired. They enjoyed supper and a little shopping as well.

Saturday night Andrew Lane, Cassie Daleske, and Little Axel Lane went out to eat to the Iron Horse to celebrate Traci’s birthday. Sunday night Liz Carpenter headed to Kansas City to visit her sisters and do a little carpet shopping. Liz was up late by about an hour and a half as she had to stop in Bethany for an unexpected additional brake job. She arrived home Sunday evening. On Sunday, Andrew Lane, Cassie Daleske, and Little Axel Lane went to celebrate Traci’s birthday. Sunday morning Liz Carpenter visited her friends Gayle and Kyle Bremmer on Sunday afternoon and took them out each 12-weeks (they are all pills in a packet is a young lady has that hasn’t started laying eggs yet). We’ve been wondering if you are wondering (Liz is helping Gayle and Kyle start their own little flock of laying hens.

Liz will be away for a week, be kind to each other, and let’s hope the Kansas weather will get a game on track one of these days when the season is still young!

Cannisville News

The family of the late Lowell and Doris McLeary had their 50th wedding anniversary June 3, at the American Legion Post 29. They had a good time. Many people came to visit with Shirley Sinkwa who was there with her two other family members.

Rev. Richard Birdsong, pastor and Sivio Wolfe and Kaylee from Bethany Community Church Sunday June 3, at 11:00 AM. They joined with Connie. Chastell at her home where Bob and Lila McLean. They then joined with the McLearys and back to Bethany Community Church.

Farmers asked to respond to land rent survey

By Linda Crist, Writer, MU Extension

Cory Lee Martz, son of the late Opal Martz and brother of Margaret Martz and sister of Erin Daniel, was raised by their grandparents, Elmer and Wilma Dill and their daughter, Marla Dill romantically. Erma passed away May 31 at Bethany. After serving in the U.S. Army in 1943, he married his wife, Mary, in May 1945. He was preceded in death by his wife, and infant daughter, Vicki Sue Martz. Survivors include his sons, William Dwight Martz, Canton, Mo., and Mike (Angie) Lightner, Burlington, Mo., and daughter, Elizabeth Martz, Abigail Louise Cory Lee Martz, Katherine Elizabeth Martz, and granddaughter; brother-in-law, Bill Clark and several nieces, nephews, and great-grandchildren; brother- in-law, Charlie Cooper; sister-in-law, Eva Cooper; and numerous cousins, nieces, and nephews.

Mary Elizabeth Drury

Mary Elizabeth Drury, 58, Gallatin, Mo., passed away Wednesday, May 30, 2018 at St. Luke’s Hospital in Kansas City, Mo. She was born on May 18, 1959, in Parsons, Mo. She married Delmar Drury on June 24, 1979 in Parsons, Ill. They later divorced. She worked for Hewlett Packard in Loveland, Colo., for many years, retiring in 1992, and moved back to Mio- nce, She was preceded in death by her daughter, Sarah Ford and children also with her brother, Jacob Nichols and friend, Jim Jackson. Mary was a member of the Bethany, Mo, nursing home. Her sister, Shirley McKinny and got to know her whole family and will be remembered by many friends contributed time and animals thru the eyes of a child with love and kindness. She was preceded in death by her husband, Delmar Drury; sister, Donna Drury; and brothers, Harry and James Drury. Some of the things Bill really enjoyed were fishing, quilting, crocheting, and loved cooking everything, especially seafood and cinnamon rolls. She unconditionally loved her whole family and will be deeply missed by all who knew her.

Margaret Martz and brother of the late Larry Martz, son of the late Leo and Dorthy Drury. They preceded her in death.

Mary graduated from high school in Coffey, Mo. She married Delmar Drury on June 26, 1954 in Savannah, Ill. They later divorced. She worked for Hewlett Packard in Loveland, Colo., for many years, retiring in 1992, and moved back to Mio- nce, She was preceded in death by her daughter, Sarah Ford and children also with her brother, Jacob Nichols and friend, Jim Jackson. Mary was a member of the Bethany, Mo, nursing home. State of Missouri Secretary of State

I, John R. Ashcroft, Secretary of State of the State of Missouri, do hereby certify that the foregoing is a written declaration of candidacy as candidate for nomination, and are entitled to be voted for at such primary as required by law.

IN TESTIMONY WHEREOF, I hereunto set my hand and affixed by my Seal. Done at my office this 29th day of July, 2018.

/s/ Jay Ashcroft
Secretary of State

**GREAT SEAL**
**BETHANY PWS**

Public Water System No. 2, Harrison County, MO 64474

**2017 Annual Water Quality Report**

**How might I become actively involved?**

- Participate in future surveys where you can provide your feedback on the water system's quality.
- Support local efforts to improve water quality by volunteering or making donations.
- Attend community meetings to discuss water-related issues and ask questions.

**Source Water Assessment**

The Department of Health and Human Services recommends an assessment of our water source to protect consumers. This assessment evaluates the source water quality to determine the feasibility of using the source water for drinking. The assessment includes an analysis of surface water sources, ground water sources, and water supply systems. The assessment is conducted by a licensed professional engineer.

**Contaminants that may be present in source water include**

The 2018 CCR will not be mailed. A copy can be obtained by calling 660-425-3511 or viewed at http://dnr.mo.gov/ccr/MO1010068.pdf.
PBS and Mediacom Communications announced this week that Mediacom television customers will have access to thousands of the latest PBS programs to subscribers beginning Saturday, June 12. On Demand offers instant access to thousands of the latest movie releases, TV shows and other programming, and new ones will be added weekly.

Mediacom is adding the PBS programs to its On Demand menu in time for the new season of “The Great British Baking Show,” which premieres on June 22; the exciting Masterpiece drama “ Endeavour,” which premieres on June 24; and the July 10-14 season of PBS’ newest, “No Passport Required,” with Chef Marcus Samuelsson exploring America through the culture of food. PBS On Demand also features full-length episodes of award-winning dramas, documentaries, history shows, and popular ongoing prime-time series, including “Masterpiece,” “Frontline,” “Antiques Roadshow,” “Independent Lens,” “POV,” “Nature,” “NOVA,” “American Masters,” “Great Performances,” and others. Viewers can watch these programs at their convenience within a designated window of availability.

Driver hurt in St. Joseph wreck

Richard Warner, 66, of New Hampton was seriously injured in a June 3 two-vehicle collision on business loop I-29 in Country Club, Mo. The Highway Patrol reported that Warner’s 2003 Oldsmobile Alero was crossing business loop I-29 from Emerald Lane at 9:25 p.m. and failed to yield to a northbound 2007 Chevrolet Tahoe driven by Gin petterson, 52, of Country Club. The Tahoe struck Warner’s car in the driver’s side. Warner and Petterson were taken to the Andrew County Ambulance to Masonic Hospital for the treatment of serious injuries. The accident was investigated by the Highway Patrol, the Andrew County Sheriff’s Department and the Country Club Police.

School board hires elementary teacher

The South Harrison school board met in special session last week to hire Monica Wilson Aeberlin as the chief teacher at the South Harrison Elementary School. Aeberlin is a graduate of Climax City 8-4 High School.

-month-

A long-awaited project will bring a new, smoother surface to interstate 55 in Harrison County. The Missouri Department of Transportation contracted Harig Construction Company of St. Louis to resurface 1.55 miles of Route N at Englefield and the Iowa state line. The contractor will first complete some concrete patching beginning Monday, June 4. They plan to begin patching in the northbound lanes, then move to the southbound lanes. The contractor will be under the work zone. Bridge work at the state line will also be part of the project. Repairs to a northbound expansion joint is scheduled to begin June 18 and continue through mid-July. Also during this time, guardrail repairs and median work will take place along the entire length of the project. The concrete patching, bridge work, guardrail and median work are to prepare the road for resurfacing, which is planned to begin after Labor Day weekend and should be complete by mid-October.

Harrison County resurfacing project planned

All scheduled resurfacing work is weather permitting and subject to change. MoDOT encourages all motorists to slow down, buckle up, eliminate distractions and drive safely to ensure everyone is able to arrive alive.

For more information on this and other MoDOT projects, call 1-888-ASK-MODOT (888-275-6638) or visit www.modot.org, buckle up, eliminate distractions and drive safely to ensure everyone is able to arrive alive. For more information on this and other MoDOT projects, call 1-888-ASK-MODOT (888-275-6638) or visit www.modot.org.
