**3rd graders were asked,
"What's the funniest thing
that has happened to you
at Christmas?"**

Cora Marshall

The funniest thing that has happened to me at Christmas is when my Elf put eyes all around the house. Our elf also got into the flour and put it all over the kitchen table.

Trevor Scarborough

The funniest thing Santa could do is bring me magnet blocks and build a city around my christmas tree. I would chop down the tree and make my own big house to remember.

Kylieen Robinson

My funniest Christmas was when my mom hugged me and was silly. We played reindeer games and had fun, my family makes me happy.

Keegan Robinson

My funniest Christmas was when I saw Santa. I was nine, he was silly. He gave me the best present.

Ryder Holcomb

The funniest thing that happened to me on Christmas was slipping on the floor. It happened when my mom was mopping the floor and I slipped on the wet floor and my mom giggled. Mom was in a hurry to get the house cleaned for Santa and I was trying to get to my room. That did not happen. I think Santa should bring my mom a wet floor sign.

Dixie Marshall

The funniest thing that has happened to me at Christmas was my elf put

googly eyes everywhere. He put them on our pictures and he drew on our bananas.

Knox Curtis

The funniest thing that has happened to me at Christmas is my elf that goes in my underwear drawer. She also got on my ceiling fan with underwear on her head. She made a toilet paper mess in the bathroom and on the stairs.

Tanner Prindle

The funniest thing that has happened to me on Christmas is when our elf made a toilet paper castle. And when he was bathing in our sink. Also, when I got a very small army suit, and the elf drew a mustache on my school picture.

Raylee Rosenbaum

The funniest thing that has ever happened to me at Christmas was when I opened my present and got nail polish. And I painted my little boy cousins' toenails with it.

Kason Webb

The funniest thing that has happened to me at Christmas was when my elf took a boom boom on the counter. And he did not flush. He also took my moms makeup and wrote Merry Christmas on the mirror in the bathroom. Then he took my clothes and threw them on the ceiling fan.

Kasey Hulet

The funniest thing that has happened to me at Christmas is my elf putting marker on our faces and all over our pictures. I was very mad at my elfs. It was kind of funny to me too. We had to wipe it off all of us, that's the funniest thing that has happened to me.

Gavin Holcomb

The funniest thing that has happened to me at Christmas is the elf wearing my underwear. He also took all of my clothes and put them on the ceiling fan. Then he put toilet paper all over my TV.

**3rd graders were asked,
 "What's the funniest thing
 that has happened to you
 at Christmas?"**

It was the 5th night before Christmas. We went to go get stuff for the house we are going to stay in. I got coffee, my sister got Naked Juice, my other sister got a monster, my dad got a monster, my mom got a frappuccino in a cup, and my sister got pink lemonade. The next day we got in the Honda pilot. We got our stuff and prayed. Then we put on a song. I fell asleep. When we were there we got to the house and it's beautiful. I was so excited to go inside. We got food. I don't care what I ate, I told my mom to come on and get the keys. She told me to wait. My cousin's face-plant-

ed in the snow and I made the biggest snow woman.

Evelynn Payne

One Christmas Eve me, Ashley, and Aubrie were outside sledding, but it was really cold and I was FREEZING so I went inside and got some hot chocolate. I took a sip and I burnt my mouth, it hurt so bad so I went to the freezer and I put like 5 ice cubes in my mouth. It felt really good and it wasn't really cold because I like eating sonic ice. I chewed all the ice and swallowed it, but then I got the chills. After I was done with my hot chocolate I put my coat, gloves and boots back on then I went outside and I grabbed some snow on the porch and I threw it at my sister Ashley. It was a bad idea obviously so I ran under the pokey tree. It was kinda warm but really cold! I waited and waited and she didn't come so I just got up

and ran so I didn't get hit but that was a stupid idea. When I was going up the porch I saw Ashley. She threw a snowball and I fell down the stairs. It didn't hurt because the snow was soft so I just laughed and she started laughing too.

Jorden Ford

Two years ago in first grade my mom went to Walmart, and got me a ugly sweater and a fall la la llama sweater. I had to wear it in December. That made December fun!

Jesse Mouzakis

It was Christmas Eve and Santa Claus was at my house. Then he was gone. When we woke up we saw presents. Then James and I said, "presents." We woke up our mom and dad. Then my dad ran and fell into the Christmas tree. He knocked down the tree. "Now what did you do!" Mom shouted. "I knocked the tree down," said my dad. "Leave this house now," my mom said. "Fine," my dad said. My dad left and got a new Christmas tree. He came back home with the Christmas tree and Mom, James and I saw him and we hugged him. Finally, we opened presents. I got a skateboard and James got a sonic costume.

Clayton Chamberlin

My funniest Christmas memory is when the elves made a wild west show in my house. We also got two extra elves. Then a friend came to our house and the elves teepeed our house.

Ryder McGee

My elf Sparky threw my socks around the room and I got up and almost caught him. But if I did I would have beat him, but I didn't, so couldn't! Then he got away, this time, but next time I will get him by surprise. But I'm not sure that I will.

Reed Meadows

I went sledding and my sister had finished sledding. She got up and walked down the hill and my cousin sled

down the hill and hit my sister. Me and my sister and my cousin all built a snowman and the snowman fell. So we went inside and drank hot cocoa and it was so hot that I spit it out and they all laughed at me.

Wyatt Smith

My mom farted in the snow, I don't know why she farted in the snow.

Also my elf pooped in my sink. I don't know why. But my dad dared me to eat the chocolate chips, but I threw them away. It was disgusting and stinky.

Elijah Lovins

One Christmas I jumped into a pile of snow, another Christmas my brother fell into a pile of snow. I also jumped on our trampoline and fell.

Jace Benavides

When it was Christmas my family and our elf were sitting around our stockings. Emma, Nola and I were opening our stockings. Dad was putting his coffee down and he knocked a glass boot over. Mom and dad had to clean it up. When they were done cleaning, we all sat back down. Then Dad dropped his coffee! It was so funny!

Stella Reger

It was a beautiful morning and I woke up, got dressed and went to grandma's house. At my grandma's we ate food then I had a snowball fight with my cousins. Wesley thought it was funny to put a snowball in my shirt! Then it was time to go home. I had a lot of fun.

Braxton Taff

One Christmas I was playing with my friends and I hurt my leg. I slipped on snow and my friend. I started to laugh because I slid down the hill on my back and I was super cold.

Brenton Loving

One Christmas Eve my family and I went ice skating. First we ate lunch and then we put our coats on. Then

we got in line and it started snowing! But we got inside at the right time. We got our ice skates on. Then they were going over the ice but they missed a few spots but that is ok because no one got hurt.

Oakley Hannah

Christmas morning I was sleeping and I got out of bed. I looked out the door and hot chocolate was ready for me. I opened my present and hoped it was a phone. But it was a camera, so we went to my aunt's house. I opened my present at my aunt's house and I walked to my grandma and I slipped.

Emily Padgett

Snow is so fun this year because me and my cousin built a snowman and she melted. I have had so much fun this year because the fun part about building a snowman is dressing it up. All of the snow melts so fast so then

we build a normal snowman and she melted again.

Lettie Ellis

My elf sat on the toilet lid and hid in a pair of underwear on the tree. Then my elf hid in the flower pot and he hid in the cabinet. He also hid on a fake cat and hid in a bag of glitter.

Tamera Benwire

I woke up on Christmas and I woke up my brothers. My brother's and I ran to the living room where the tree was set up. We saw presents with silly wrapping paper on them. I woke up my Mom and Dad and they helped us unwrap the presents. The silly wrapping paper made us laugh. We kept running around the house hitting things. I hit the wall, my older brother hit the tree and my little brother hit the couch.

The Funniest Thing About Christmas

It was Christmas and it was snowing outside. I went sledding on my big hill. When I got there, I got on my sled. I went down the hill and fell off. I went some more times then I went to my house and warmed up and drank some hot chocolate. By Will Richardson

My Elves

My elves did something funny. My elf Candycane put toilet paper on Peppermint! She made him into a snowman with the toilet paper! It was so funny because she said no snow outside but snow inside! She put a marker on the toilet paper to make a face. It was the best day ever! By Rynlee Cracraft

My Elf and Cat

My elf Scout was on a zipline that he made. He put up all 31 things on a zipline. He made a dumbbell out of marshmallows and lifted it and also drank a smoothie. There are too many to count. It was so funny! Then we opened presents and I didn't know my cat Patrick was in the tree. He jumped off and landed on my head and we all died laughing. It was the funniest thing. By Jackson Briggs

The Lost Phone

We went sledding and then my aunt lost her phone. We were on a big hill at my grandma's house. Then, we realized that her phone was missing. 3rd graders were asked,
"What's the funniest thing that has
happened to you at Christmas?"

Last year Santa went to
my Grandma's house instead
of my house. He left the pres-
ents in the camper. I found the
presents when I went to the
camper to get some carrots. I
ran to the house to tell every-
body about it!

Caroline Caley

One Christmas I was hav-
ing it with my dad's parents.
They were giving me and my
family Christmas presents.
When they were about to give
us our presents, but they gave
me and my sister the wrong
ones! Now that I think about
it, I think it actually sounds
pretty funny!

Ellie Baker

One Christmas my Elf on
the Shelf made a mess in my
house. Even on the tree! It
was funny to my mom, brother,
and me! We opened pres-
ents and had a jolly time. We
opened lots and lots of pres-
ents. We had a lot of fun. The
pets even got presents too!

Karma Carver

One happy Christmas Eve
my family and I were baking
cookies. My sister made the
milk spill. She spilt the milk
when she hit her hip on the
table. It spilt everywhere; on
the carpet and me, too! Then
we got the mess cleaned up,
we had hot chocolate and
watched a movie.

Roxine Hancock

On Christmas Eve, I got a
funny present. I got an R/C
car! I drove my R/C car into
my cat, Tux! He then kept
trying to catch the car but
he couldn't catch it! I kept
picturing this in my mind. It
was hard to get Tux off of the
Christmas tree.

Kenneth Martin

One Christmas I woke

up and I noticed it was
Christmas! I yelled,
"Christmas! Christmas! It's
Christmas!" So I went down
stairs and I fell asleep on the
couch. When I woke up I
was being hit by my brother
Elijah! When I saw the
Christmas tree I knew it was
Christmas.

Ryder Byrd

One Christmas I went to
bed and I could not sleep. I
got a lot of Hot Wheels for
Christmas. I dropped the
bucket of Hot Wheels and it
was loud! I did not clean it up
and my mom stepped on the
Hot Wheels cars and slipped
on them.

Jacob Hamilton

My elf was meditating up-
side down on my christmas
tree and he pee'd the tree!
He threw toilet paper at me!
He took a present and hid
it but we found it. He even
knocked the Christmas tree
over. It was really funny!

Jase Ledgerwood

Last year I was going to
my Grandma and Grandpa's
house for Christmas. My
Grandma went to go get a lot
of sleds for us to sled. I was
nervous! When I was sled-
ding I was leaning to the side
too much and then I fell off
and landed on my stomach. I
went to go again and this time
I landed on my back. The
sled was on top of me! When
I got back up I went back and
everybody laughed at me! I
went inside. I was done sled-
ding for the moment and went
in to get a snack and warm up!

Luke Lykins

My family had a nutcrack-
er. In fact three nutcrackers!
One has a removable hat. The
Elf on the Shelf grabbed the
hat and climbed away. So one
day I went to the kitchen for
a snack. I saw the Elf on the
Shelf was on a sled and a ze-
bra plush. My elf is so silly!

Jaxon McQuinn

One Christmas my elf
swapped with my angel on

the tree. My angel was on the
shelf then she was on the tree!
This kept happening! My elf
is on the tree but is NOT on
the top! On one Christmas,
the elf disappeared. Santa put
an angel back on top of the
tree to replace it with the elf.
It was really fun that night.

Raelyn Wigal

One time on Christmas
Carter and I set a trap for
Santa Claus. Then we put
flour on the carpet. Our mom
got really mad. We ran to our
rooms and locked the doors.
We waited for like thirty
minutes, but we got so bored
so we unlocked the doors and
mom was waiting there. We
got so scared that we
slammed the doors shut then
she said this never do that
ever again or else.

Cooper Deskins

My brothers and I went
sledding. There was a big
river, and it was around
Christmas time. Then we all
went to my Grandma we then
went to my uncle Kenny's
and got caught on the garland
we spun around And he fell.
We went to the park where
I grew up and when we got
home it was Christmas Eve.
Family and friends came over
and we put Christmas lights
up and we sang

Christmas carols. My dad
fell off the porch and I fell on

**3rd graders were asked,
"What's the funniest thing
that has happened to you
at Christmas?"**

Aubrey Wynkoop

The funniest thing that happened to me on Christmas is when my elf got some marshmallows and poured them in a bowl. When I woke up she was laying in them. I always go to my grandma's house on Christmas Eve. It is a tradition I think. Last year I got a watch from Santa.

Maddie Walton

What's the funniest thing that happened to you on Christmas? "Maddie, let's go upstairs and go to bed," said mom. I said, "Okay." We went up the stairs and mom said good night. I went to sleep and then I woke up and it was morning. I went down stairs and I found my elf on the shelf. He was in my Christmas tree and I yelled for mom. "Mom, I found the elf!" I yelled. I looked at the tree and I saw that my dirty underwear was on the tree and it had poop stains in them. I laughed. It was the funniest Christmas ever.

Aric Reeter

The funniest Christmas

was one year ago in 2022. It started in my living room and I was drinking some hot chocolate. My dad farted so loud that I had to close my nose.

Connor Miller-Niverson

My funny Christmas story was when I grabbed the Christmas tree and dragged it everywhere. My mom did not like that.

Melvin Peake

The funniest thing that happened on Christmas is making a snowman look like it is peeing. I destroyed it so no one would see it. I peed all over the snow. Then my brothers copied me and peed in the snow too. I laughed so hard.

Easton Ownes

One time I was laying in bed and I heard a noise. It sounded like a foot stomping so I said, "What is that noise?" It was my dad and he was sleepwalking and he was unloading the dishwasher. I checked and I was by the stairs and I slipped on something. I fell down the stairs.

Alton Moad

The funniest thing that happened to me was I was praying outside. I fell in the snow and they thought it was funny. It was not funny and they helped me out of the snow. Then I slipped in the snow again and rolled down the hill. It hurt and after I got up I built a snowman.

Mazey York

The funniest thing that happened on Christmas was when I was smashing the smasher dino eggs. One flew and somehow I think 5 months later I found it under the table. Some reason it was under there.

Victor Delgado

I was at my grandma's opening presents. I rolled up

some paper balls. I started throwing them. It started becoming a paper war. Then we stopped and I put the paper in the trash bag.

Jaycee King

The funniest thing that happened to me on Christmas was when I was at my grandma's house. I was just talking to my family and I saw my cousin punching the elf. He triple dogged dared me to punch the elf. I got coal for Christmas. So, I am never going to do that again because I do not want coal for Christmas.

Maggie Francis

I was opening my presents and my aunt was putting the ham in the oven. I went into the kitchen and was going to smell it and it fell out of the oven. I fell and slipped on the ham. I got whip cream all over my face and my dog started to kiss me.

RJ Tallen

The funniest thing that happened to me on Christmas was when I was on my Xbox and I just lost on Call of Duty. I was on a chair that

you can spin on in the living room. I looked up at the wall and the elf was there and I was like Ahhhh! The elf is here. We named it Snowflake the year before that Snowflake and she is a girl.

Sawyer Wilson

The funniest thing that happened to me on Christmas was when my elf Star made a fort in my fridge and was playing music. Star made a

fort out of ketchup, water and applesauce. My mom was super mad. Star was super chill about it but mom was not.

Josiah Thornton

My funniest Christmas story was one time when I woke up I went to the living room. When I went to the living room I saw the elf put my mom's underwear on the ceiling fan. It was the funniest thing ever.

**3rd graders were asked,
"What's the funniest thing
that has happened to you
at Christmas?"**

My family went to the mountains before Christmas last year. It was cold and snowy. Daddy couldn't light the fireplace and brother went to jail in our game. We had so much fun!

Savannah

For Christmas a few years ago one Christmas I got a baby alive. It came with a bottle, powered baby food, diapers and a baby alive. I had to mix the powdered food with water in the bottle to feed her. After I feed her I would have to change her diaper. It was funny that she could pee.

Baylee Booth

Something funny that has happened to me on Christmas would be when I opened a gift Christmas morning. My mom had wrapped my gift in a diaper box! I responded "I got diapers" then it quickly hit me that I didn't wear diapers and yelled "MOM!"

Kambrie

One Christmas we were opening presents. When I got to the big present my grandma's dog Buster Brown got in the big box and wouldn't get out.

Lillian

What was the funniest thing that happened to you before Christmas was making snow angels and snowmen!

Matthew

The funniest thing that has happened to me at Christmas was when Santa gave me the wrong Christmas gift. I wanted a tablet but instead I got a mermaid. This was funny because Christmas was very funny!

Bridget

I got makeup and my mom

got mad. She told me "she was going to fire Santa!"

Katy

The funniest thing that happened to me was when I forgot it was Christmas and my present didn't make it.
